2	Bo Charity Foundation (Food Angel Program)	http://www.foodangel.org.hk/en/	Food Angel is a food rescue and food assistance program launched in 2011 by Bo Charity Foundation with the mission of "WASTE NOT, HUNGER NOT." The program rescues edible surplus food from different sectors of the food industry that would otherwise be disposed of as waste. Following strict safety protocols, the rescued food items will then be prepared as nutritious hot meals in our central kitchen and be redistributed to serve the underprivileged communities in Hong Kong.	Purchasing small scale steamer and bainmarin	30,000
3	Children's Medical Foundation	www.cmf.org.hk	The mission of the Children's Medical Foundation (CMF) is to develop and implement sustainable health care solutions for children in Asia, with a focus on helping underprivileged children. By establishing collaborative partnerships and institutional linkages, CMF provides capacity building initiatives to bring accessible health care to rural communities and to strengthen primary care and community health in Asia. The Children's Medical Foundation (CMF) was established in 1995 (as Project HOPE Hong Kong) as a part of the US charitable organization Project HOPE, a non-profit international health education foundation. CMF's first project was to help establish the Shanghai Children's Medical Centre - the first state-of-the-art children's hospital in China. Since then, CMF has continued to develop and implement programs in China to improve health care available to children. APLE seeks to monitor the prevalence of child sexual abuse in Cambodia and denounce such abuse to the relevant authorities. APLE's lawyers provide pro bono legal advice and representation to child victims of sexual abuse and their families, whilst their social workers provide access to counselling and social rehabilitation to child victims. APLE further contributes to the global efforts to combat the causes and effects of child sexual abuse through research and advocacy.	Contributing to the renovation of the Matara Girls' Home in Sri Lanka. The Matara Buddhist Girls Home located in the district of Matara, Sri Lanka is an orphanage for girls founded in 1961. The orphanage is privately run and is not funded by the government. The girls, currently 39, are between the ages of 5 and 18. The home not only provides shelter, food, clothing and loving care to the children but would also like to provide vocational skills and extra education to the children. The children attend a local neighbourhood school. The overall objective is to facilitate the children's overall mental and physical development and offer new opportunities and hope to these children.	10,000
16	St. Barnabas society and home	http://www.sbsh.org.hk/	Since 1987, we have visited hundreds of street sleepers. Some live on the streets, some under flyovers or in back alleys. Some are drug addicts, some are alcoholics, and others are mentally ill. We also visit people who live in Wood Partitioned Rooms (WPR), dwellings that house the most vulnerable group of people in our society. Today, thanks to the generous support of churches, organizations, and individuals, our ministries include three areas: a Drop-in Center, a Temporary Shelter and Outreach Services	Lunch for the homeless and elderly to celebrate one of the following holidays: CNY, Easter, Labour Day, Mid Autumn Festival or Elderly Day.	20,000

17	The Mekong Club	www.themekongclub.org	The Mekong Club is one of the first not-for-profit organizations of its kind in Asia to use a 'business-to-business' approach to fight slavery. Bridging the gap between the public and private sectors, the Mekong Club helps companies of all sizes to understand the complexities of human trafficking and to reduce their vulnerability within their supply chains. Together with business partners, we are spearheading innovative and strategic projects to achieve a slave-free world.	Contributing to produce a series of 10 short animated info-graphic videos to inform senior business executives and purchasing departments about the relevance and importance of forced labour as a business risk and how to address this risk, educate employees and encourage them to take actions.	23,250
